

NOTICE

A RESOLUTION DECLARING THE NECESSITY OF CONSTRUCTING THE SOUTH BEDFORD ROAD SANITARY SEWER IMPROVEMENT PROJECT NO. 12-S-07 FOR THE METROPOLITAN SANITARY SEWER DISTRICT

The Board of County Commissioners of Trumbull County, Ohio met in Regular Session on Wednesday, February 14, 2018, commencing at 10:30 AM in the Commissioners' Office in the County Administration Building, 160 High Street NW, Warren, Ohio with the following members present:

Daniel E. Polivka, President Mauro Cantalamessa, Commissioner
Frank S. Fuda, Commissioner

Commissioner Fuda offered the following preambles and resolution and moved their adoption, which motion was seconded by Commissioner Cantalamessa:

WHEREAS, on the instructions of this Board, the County Sanitary Engineer has heretofore prepared, or caused to be prepared, detailed plans, specifications, estimates of cost and tentative capital charges for the Project which is hereinafter referred to and which, in the opinion of this Board, it is presently necessary to construct for the Metropolitan Sanitary Sewer District in accordance with the available and approved general plan of sanitary sewer works therefore;

WHEREAS, the Project, which is designated here as No. 12-S-07, shall consist of the construction of sanitary sewers, together with all necessary appurtenances thereto in Brookfield Township;

WHEREAS, such detailed plans, specifications, estimates of cost and tentative capital charges for Project 12-S-07 have been filed with this Board and are hereby approved, ratified and confirmed and copies of such plans, specifications, estimates of cost and tentative capital charges are on file in the office of the Sanitary Engineer of this County and are available for examination therein;

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Trumbull County, State of Ohio:

Section 1. That it is necessary at this time for the purpose of preserving, protecting and promoting the public health and welfare to construct the sanitary sewers, together with all necessary appurtenances thereto, described herein above and in such detailed plans and specifications and herein before referred to as being Project 12-S-07 for the Metropolitan Sanitary Sewer District.

Section 2. That the portion of the cost of constructing Project No. 12-S-07 not covered by grant funds will be recovered in the form of monthly capital charges to be billed to the owners of the benefited properties within the Metropolitan Sanitary Sewer District that

are described as all those of properties to be serviced with sanitary sewer as a result the Project, now and in the future, as determined by the Trumbull County Sanitary Engineer.

Section 3. That the 15th day of March, 2018 at 7 PM shall be and is hereby fixed, as the time and the Brookfield Township Administration Building located at 6844 Strimbu Drive, Brookfield, Ohio 44403, as the place for hearing of objections to or acceptance of Project 12-S-07, to the capital charges therefore or to the project scope and boundaries for same and as outlined below.

The project consists of construction of gravity sewers together with all necessary appurtenances thereto and the location route and termini of the Project is described generally as beginning at an existing manhole approximately 100 feet east of the intersection of Bedford Road and Stewart Sharon Road and extends west along the north side of Stewart Sharon Road approximately 1,260 linear feet to termination at a proposed manhole; Furthermore, the sewer will extend from a proposed manhole at the intersection of Bedford Road and Stewart Sharon Road to the southeast along the east side of Bedford Road approximately 400 linear feet to termination at a proposed manhole; Furthermore, the sewer will extend from an existing manhole near the West Elm Street and Bedford Road intersection extending northwesterly along the east side of Bedford Road approximately 1,757 linear feet to termination at a proposed manhole; Furthermore, beginning at an existing manhole on the west side of Bedford Road approximately 550 feet southeast of the West Elm Street intersection extending northwesterly along the west side of Bedford Road approximately 420 linear feet to a proposed manhole. The project will also include 6" service connections (including risers where necessary) within the public right-of-way and 17 pre-cast concrete manholes

Section 4. That the Clerk of this Board hereby is directed to have a notice of that hearing published once a week for two consecutive weeks in a newspaper published and of general circulation in Trumbull County, the first such publication to be made at least twenty-four (24) days prior to the hearing date fixed in Section 3 hereof, and, on or before the date of the second publication of that notice, to mail a copy of the notice to every owner of property to be serviced by Project No. 12-S-07 whose address is known and such notices shall state that the property of the addressee will incur a sanitary sewer bill including a capital charge for Project No. 12-S-07.

Section 5. That the County Sanitary Engineer hereby is authorized and directed to review any timely written objections that may be filed with this Board with respect to Project 12-S-07 and to make recommendations to this Board concerning the disposition of any such objections.

Section 6. It is found and determined that all formal actions of this Board concerning and relating to the adoption of this resolution were so adopted in an open meeting of this Board, and that all deliberations of this Board, and any of its committees that resulted in such formal actions were in meetings open to the public, in compliance with the rates.
